

Layout Workshop!

You're going to lay out Jonathan Draxton's piece from 2011 year.

The piece is located in the williamstelos Google doc → Spring 2011 folder.

The photo is located in the williamstelos dropbox → Spring 2011 → images folder.

Look at **Layout Info Sheet** located in....

williamstelos Google doc → Telos info
for nitpicky detail.

This piece is for 1 page.

It will be on page 18 (think about whether page 18 is on the right or the left page)

Good luck!

Feel free to ask questions :)
